The Mason LINE

by Chan Mason

A friend of ours was telling us of an acquaintance of his, a sort of Senior Horatio Alger, who after having served as a milkman for some 30 years, retired at 65. But after two months the inactivity was too much for him.

He went to his corner service station and informed the owner that he was starting to work for him as of that minute. "But," said the owner, "the volume of business just doesn't warrant another salary." "Who said anything about salary?" replied H. Alger Sr., and promptly went to work.

That was two years ago. Today H. Alger Sr. is a salaried employee on the regular payroll and the business has doubled in volume.

—M L—

The above is a true story. We can't vouch for this one, but this is the way it was told to us:

A bachelor baby-sitter with his infant nephew was faced with a crisis. He hurriedly called a young father acquaintance who solved the problem thusly:

First, place the diaper as if it were a baseball diamond with you at bat. Fold second base over home plate. Place baby on pitcher's mound. Then pin first and third to home plate.

—M L—

We're sure the state is doing a fine job building the freeway. Must remind ourselves to get out our hobbled boots, Alpenstock and oxygen tank and scale the thing to the roadbed first time we can get a few days off. Who knows, there might be a chance to sell a few bags of wild goat feed up there.

—M L—

Time out for "Dragnet." Okay, now for those sleep destroyers operating the diesel Caterpillars on the freeway. We'll run a check with R & L, send out an A. P. B. and book 'em on a 509. That's 30 for tonight.

Mexican Youth Pulls Shotgun on Trailer Court Manager

Lots of excitement at Our Trailer Court, 6965 Federal Boulevard, about the turnover for College Street on Monday last.

Mrs. McClurken, owner of the court, was in Homeland Justice Court office on Tuesday afternoon, looking for information as to procedure. She explained that the trailer court has a space rented for \$15 monthly to a Mexican named Contreras, who is a very satisfactory tenant, with his rent paid in advance. This man has a son who came to visit his father some three months ago, intending, he said, to stay two weeks, but he is still visiting his parent. The young man has several times lately driven through the court at high speed, endangering the lives of children living in the court, and has paid no attention to requests that he obey the five-mile per hour speed limit posted at the entrance.

Mr. Dunlap, in charge of the trailer court, spoke to young Contreras on Monday evening, and the young man grabbed a shotgun from the wall and pointed it at Dunlap and threatened to shoot him. This matter, according to Mrs. McClurken, was observed by four witnesses.

Mrs. Dunlap called the police or sheriff's office, and two officers in a patrol car responded promptly, but found no Contreras.

The tenants, Mrs. McClurken said, are deathly afraid to go near the Contreras' trailer, which is close to the toilet facilities. The tenants have threatened to move out, and that makes Mrs. McClurken anxious.

Hal Johnston, night patrolman, who came into the office shortly after Mrs. McClurken left with a blank eviction notice she intended to have served on the elder Contreras, said that since the officers had not seen the gun-slinger, a warrant for his arrest sworn out by Mr. Dunlap would be necessary before the officer could act.

We will let you know later "what happen" to Junior—D. H.

Local Post Office Has Record Breaking Year

It was a record breaking year for postal receipts in Lemon Grove, reported Postmaster Frenchy Faucher. An increase of 18.85 was racked up for a total of \$121,370.51. This was an increase of \$19,913.29.

Postal receipts reflect population trends and the percentage of increases reflects the good judgment of local business firms who have geared up for this growth.

Broadway Improvement Plans Given at Men's Club

More discussion on Broadway improvement is scheduled for the Men's Club Friday.

A panel made up of local businessmen and investors with Realtor Lee Sparks as chairman revealed that improvements from Massachusetts to Kempf which would widening sidewalks and curbs, and ornamental street lights and business front parking could be done for between \$50 to \$75 per front foot. Broadway would then be 150 feet wide and utilities would be placed underground in the improvement.

Other panelists included Harry Griffen, investor; George Casteel, investor; and Ray Purtee, businessman. Max Goodwin was moderator.

It was pointed out by panel members that these improvements, should they be made, would probably be paid for by property owners rather than tenants. Part of the next discussion will concern the 1911 Improvement Act in its relation to the project. Pertinent county officers have been contacted on the most feasible way to handle the project and a study is being made by them currently.

The next meeting will be at Michael's Friday at noon.

SHEARER TOSSES HAT IN ASSEMBLY RING

WASHINGTON, D. C. (Spcl.)—William K. Shearer (R-La Me-sa) announced today that he will seek election as assemblyman for the 77th district this year. Shearer is in Washington, serving on the staff of Congressman James B. Utt. Utt's district includes the 77th.

Shearer has lived in San Diego County since 1946 when his family moved here from northern California. The family also resided in the county in 1938-39. Bill is a graduate of Grossmont Union High School, and of San Diego State College.

Shearer was active in the Republican campaigns of 1948 and 1950, and in 1952 worked for the San Diego County Republican Central Committee as a precinct organizer. He campaigned for the entire Republican ticket, including Utt, Ed Bulen, and President Eisenhower. After the election, Congressman Utt invited Bill to join his staff in Washington.

Shearer worked with Utt until March, 1953, when he was called to military duty with the Army. He remained in the service until early 1955. He returned to Utt's staff after serving briefly as editor of four county newspapers.

Shearer believes that his close association with San Diego County problems through his work on Utt's staff has helped prepare him to serve the area in the assembly.

He states that the principal issues in the campaign will be fiscal responsibility, including a balanced state budget, lower taxes, and legislative control of California's purse strings.

"A state water project, better schools, the maintenance of free enterprise, and control of subversives will also be important issues," Shearer says.

"The people of our district believe fundamentally in the sound policies for which the Republican party stands. I am confident that I express those policies, and that my election will assure our people the responsible, representative government they deserve," he concluded.

Gasoline Model Engines Stolen in Broadway Burglary

Burglars, presumably juveniles, broke into the Hobby Shop at 7545 Broadway Saturday night, the sheriff's department reported.

More than \$200 worth of model airplane gasoline engines, HO gauge model steam train kits and racing car gasoline engines were among the loot.

Sheriff's men are investigating.

U. S. Bank Expands To La Jolla

C. A. Smith Jr., manager of the United States National's Lemon Grove office, announced this week that the bank will establish a branch in La Jolla. It will be the ninth in the bank's system.

Smith said construction of the La Jolla office will start about Feb. 15, with completion scheduled June 1. The structure will be one story with an area of 6,000 square feet and occupy a site 100 by 145 feet at the corner of Girard Avenue and Kline Street.

Meanwhile work is progressing on the new enlarged building of the Lemon Grove bank and occupancy is expected early this spring.

School Kids to Have Monday Off As Teachers Hold Workshop

Pupils have a vacation from school next Monday, January 23, when educators of the Lemon Grove district meet for an annual Professional Growth Day at the junior high school. Classes will resume Tuesday morning. This program, at the local level, replaces the second day of institute formerly held as a county-wide meeting.

S. K. Solleder, assistant superintendent, announced that Harold Sturza, Pacific Southwest Community Relations Consultant for the Anti-defamation League, B'nai B'rith, will present the "Rumor Clinic" to teachers here. This is followed by group discussions of everyday problems in the teaching profession.

Following lunch, discussion groups will be devoted to specific areas dealing with school topics. Genevieve Oliphant, district speech correctionist and audiometrist, will lead "The Teacher's Role in Speech Correction at the Kindergarten Level." Number work in grades one and two will be discussed by Leslie Beatty, Chula Vista principal, and Edwin Moore of the county superintendent's office will lead a group in "Spelling for Grades 3-6."

Effective use of bulletin boards and maps will be explained by Ray Denno, audio-visual director, county office, and a panel will work with how teachers can best work with the junior high student. The panel includes Dorothy Gentry, district psychologist, and J. Smith Jacobs, Clifford Hatch, and Virgil Howes, all of the county guidance department.

Local teachers will act as discussion leaders in the morning sessions and recorders in the discussion groups during the afternoon.

Local Youths Plead Guilty in Attack on 14-Year-Old Girl

A change of plea to guilty was made by two Lemon Grove young men charged with an attack on a local 14 year old girl.

The men are John Keith Riley, 25, 7024 Mt. Vernon Street, and Gunnard Elwin Osterberg, 21, 7476 Roosevelt Street. They will be given a probation hearing in superior court January 31 on their pleas of guilty to rape. They had previously entered pleas of not guilty.

They are charged by the sheriff's department with forcing the 14 year old sister of a Lemon Grove business man into their car as she was walking home from a high school football game last fall.

Local VFW to Give Building Fund Show

Five hours of top talent from radio, television and Hollywood will have a chance to scale the ladder of success for the 1956 March of Dimes dance to be held in Lemon Grove, Saturday, January 21, in the Junior High School Auditorium under the sponsorship of the Grove Junior Chamber of Commerce. Loaded with great entertainers who are donating their time to this March of Dimes fund raising dance, the J C's co-chairmen of arrangements, Art Pugatz and Ron Remsburg have provided many favorites of both adults and children, such as Lt. Rip Masters (Jim Brown) star of the Rin Tin Tin show, Tommy Rettig, featured on the Lassie program, the fabulous George Liberace, Dennis Hopper of Lemon Grove, who appeared on "Medic" and now is appearing in the film "The Giant," Lynn Taylor of Channel 10, KCBQ's most popular disc jockeys, Don Howard, Harry Martin, Earl McRoberts, Jim O'Leary and Ralph James, and for dancing Dennis Bond and his Royals of Rhythm. A local boy, Bill Hudson, will also present impersonations which have been attracting wide attention this past year. Other recording stars are expected to appear during the evening.

It will be a huge show, with lots of fun, dancing and entertainment. There is no admission charge, but dimes and dollars you care to contribute can do miracles, and the March of Dimes extends an invitation to each in (Continued on Page 6)

Some Sort of A LINE

By JACK WOOLSEY

Once upon a time a college girl declared that she would never marry a man who smoked or drank. So after she graduated she taught school for years and years.

Some movies would be greatly improved if they shot less scenes and more actors.

It is better to cause happiness where you go than when you go.

More men are kept broke by the mink in the closet than by the wolf at the door.

A fire plug can stand in one place for years then suddenly jump in front of a woman driver.

Nothing can hide a bad reputation like a good bank account.

They say that prosperity is keeping the tide of money flowing. But money, like the tide goes out as fast as it comes in.

It's a sure sign of old age when a man just sits around and dreams of dames gone by.

Lemon Grove Peanut (Burp!) Salesladies Determined to Sell 100,000 (Oh, My!) Cans

Blue Birds and Camp Fire Girls in Lemon Grove will hit the halfway mark in their annual peanut sale this weekend.

The young peanut vendors in Lemon Grove are part of a county-wide sales team of 2500 Blue Birds and Camp Fire Girls who are redoubling their efforts to reach their goal of 100,000 cans of peanuts sold by Jan. 29, when the sale ends.

Frank Armstrong, who is the sale chairman here, reports that early returns from headquarters indicate that the girls set a fast pace with their sales the opening days of the venture.

To supplement their door to door selling, sales booths will be set up in the business district beginning Saturday, Armstrong said.

Sales proceeds will go to improve and maintain the Camp Fire Girls two campsites: Camp Wolahi in Cuyamaca Mountains and Camp Loligro in Balboa Park.

'Tony' Sonka Back On the Job After Collapse

A. F. "Tony" Sonka is back at his desk after collapsing enroute home from a Lions Club meeting about 9 p.m. Thursday.

He was assisted home by June Erwin, 8127 Golden Avenue, who was driving to the drug store at Broadway and Imperial. Mrs. Erwin said she recognized Sonka and saw him fall in the middle of the crosswalk.

She attempted to lift him in spite of the fact she had recently experienced an operation. Two passers-by then came to the aid of the stricken man while Mrs. Erwin hurried to Michael's where her husband Roy Erwin, Lions vice president, was attending the meeting just left by Sonka.

Sonka was able to be up and about by the time he reached home but members of his family were notified and they took over at that point.

Sonka suffered a similar plight at a Lions Club meeting in the middle of last year when he lost consciousness during the program. Erwin is a local insurance man. Sonka is one of the developers of the community of Lemon Grove.

Tractor Wrecked By Culprits to Tune of \$500

More than \$500 damage was done to a tractor belonging to W. D. Waddington, who operates a topsoil and supply business at 8246 Imperial Avenue, earlier this week, Waddington reported to the sheriff's office.

The damage, all malicious, was presumably done by youngsters, he said. Footprints in the vicinity indicated the culprits to be juveniles.

Among the damage are the breaking of all the instruments with a b-b type gun; breaking off all valves; filling the radiator, crankcase, battery and gasoline tank with dirt; cutting the cushions with a knife, and other lesser mischief.

The damage was done during the weekend while the tractor was untended in Sweetwater Lake Reservoir where Waddington obtains topsoil. Another tractor, belonging to a different firm, was similarly damaged.

A reward is offered for information leading to the apprehension of the culprits.

'Y' Week Luncheon To Honor Workers

A special feature of San Diego's annual observance of Y week honoring the eight YMCA's in the area will be a civic luncheon Tuesday at the Armed Forces YMCA, Elliot Cushman, Y week chairman, said today.

The luncheon will serve the twofold purpose of pointing up the many accomplishments toward the social growth and welfare of our young men in the past, and of honoring some of the people who have made this possible through their contributions of service, Cushman said.

Speaker at the luncheon will be Rear Admiral Leslie E. Gehres, USN (ret.) while O. W. (Junior) Todd will be master of ceremonies. Invited to the luncheon are local government and military officials, the press, radio and television, civic leaders and active workers, members of the committees of management and boards of directors of the eight area Y's.

The Dimmer VIEW

By MAX GOODWIN

Lemon Grove, having emerged unchanged after a spasm with incorporation last year, has become enmeshed in another struggle, this one is really for "keeps."

Behemoth districts of the area, such as the high school district and the water district, are deeply involved in this struggle although for diametrically different reasons, and the bone-picking has already commenced among some of the local polls with political plums being the objective.

The high school district would like to see Lemon Grove incorporated. It has been admitted by at least one of the district's leaders that incorporation would stem the encroachment being made by the city of San Diego into the empire known as Grossmont High School District. Incorporation would nail down the boundaries in the areas where the nibbling off process is threatening. This would act as a barrier to losing more high school district lands.

The high school district played it cool during the past few years. It successfully fended off an attempt of this community to unify its own school district, thus preventing reduction in the high school district's size. Additionally, each high school is built between communities, as for example Helix and the planned Lemon Grove-Spring Valley School. This reduces the possibility of any community consolidating its elementary and high school districts and pulling out of other school districts. I am not altogether convinced that separate districts are bad things, but I can help resent the interference in community affairs.

The water district wants Lemon Grove to annex to the city of San Diego. They want Lemon Grove to do it right now so as to reduce the chances of failure of the five and a quarter million dollar bond issue coming up February 21. District representatives presumably feel the less-than-popular stature of Lemon Grove's board member will cause a negative vote here and that this may defeat the issue which requires a two-thirds majority.

In spite of the fact that tremendous fortunes are to be made in the east part of the water district by developers, some of whom make up the district's advisory committee, the people of this area should vote for the issue because the need for water here is more real and more dire than it is in the undeveloped part of the district. We already have the people who must have water. To get Lemon Grove to annex to San Diego would be getting this monkey off the water district's back.

Meanwhile a small group of local residents, some of whom were very active for incorporation are now playing cozy with San Diego city fathers. If there are political plums to be handed from San Diego's newest suburb, Lemon Grove, they want to have the bid in for them, but if Encanto is any criterion, the plums will be mostly mere.

Consensus of opinion during incorporation activity showed status quo to be more popular than incorporation, and incorporation to be better than annexation to San Diego.

I think that annexation to San Diego will again be unpopular. This newspaper, undergoing no change of heart, still favors incorporation.

HUNDRED AREA JEHOVAH WITNESS MEMBERS ATTEND ORANGE COUNTY ASSEMBLY

Sunday at the Orange County Fairgrounds, C. W. Rieger of New York, district minister of Jehovah's Witnesses, enthralled an audience of 2487 by scriptural proof that his titled speech "Overcoming the Fears of This Generation" envisions the hope of millions to-day. His discourse, widely advertised by radio, press, poster, handbill and word of mouth climaxed the three-day circuit assembly of California Circuit One.

Returning delegates from La Mesa-Spring Valley and Lemon Grove numbering 100 said Rieger's description of the world malady well reflected "the climate of fear in which we live." Finally, delineating the Bible rule that "Jehovah preserves those who love him but the wicked he will destroy at Armageddon," he added, "this strange act will permanently remove the fears of this generation. Thereafter people will live forever in the fearless New World of Jehovah God's creation."

The Spring Valley and Lemon Grove congregation presented a

demonstration the opening night of the convention.

WESTERN FAVORITE TO HEAD CHURCH PROGRAM

A Western style roundup Friday and Saturday at the Skyline Wesleyan Methodist Church with Kedd Harper, Mr. Texas Himself, making a personal appearance.

The evening service will begin at 8 o'clock Friday, after which refreshments will be served. An 11 o'clock program will be held on Saturday followed by a ranch style beef stew dinner.

Harper, who is star in several Billy Graham films, is appearing here under the sponsorship of the Wesleyan Youth Conference, Pastor Orval C. Butcher announced.

Catholic Group Sponsoring Saturday Dance For Boy Scouts

The Men's Club of St. John of the Cross is sponsoring a dance Saturday, January 21, starting at 8 p.m., all proceeds to go toward purchasing new equipment for the two Boy Scout troops of the church.

Thirty members of the Barbershop Quartet from San Diego will sing during the evening.

Tickets may be purchased at the door. Donation is 50c per person. Everyone is invited to attend.

Barbara Wheeler and Keith Richard to Demonstrate Social Studies for School Board

Social studies as taught in Lemon Grove schools at the fourth and fifth grade levels will be discussed at the Monday, January 23, meeting of the school board. Beginning at 7:30 p.m. in Room 1 at the San Miguel School, this second January meeting continues with curriculum demonstrations for the public.

Harry Hale, exchange administrator from Hawaii, who is principal at that school this year, will present Barbara Wheeler, fourth grade teacher, and Keith Richard, fifth grade teacher, who, in turn, will discuss the social studies program there. They will attempt to demonstrate the importance of the program in these elementary grades and will, through the use of materials and methods, show how units and yearly studies are introduced and taught.

This is one of a series of curriculum demonstrations staged at various schools throughout the district for the convenience of parents and patrons who wish to know more about the entire program in Lemon Grove schools. They are urged to attend this and all other meetings of the board of education.

Bierwirth and Puschel Win Out In Terrific Spelling Struggle

By LYSETT STUMBAUGH

Val Bierwirth, self-assured to the last, outspelled a ruffled Bruno Puschel in the Father-daughter spello-down at the January meeting of the Golden Ave. PTA. The word that "spelled" poor Bruno's downfall was "apparatus," seems Bruno confused it with "operative." To prove his superiority after spelling apparatus correctly, Mr. Bierwirth went on to further glory by pronouncing in perfect order, the correct letters comprising "rheumatism." Because they were "tops" in their class, both Mr. Bierwirth and Mr. Puschel were awarded a lovely top, suitable for any occasion (calling for a top.)

Several other sterling performers fell during the session, three other flustered fathers and five earnest, lip-biting daughters. Herbert Stadler tried to put two "I" in "certainly," Devon Foster gave out on "examine," Jeanette Woodrow on "successful," Carol Brandt on "wrist," and Lewis Buford on "eighth." Wendy Puschel couldn't quite spell "ca-

been set aside for them. The highlight of the week will be Friday evening when ladies from the 21 different Southern Baptist Churches in San Diego County meet at the First Baptist Church of Lakeside for a house party. New Manager
Named for Grove
Piggly Wiggly

Harold Secor, 4532 Dawson
Avenue, 22 years with Piggly
Wiggly, has been named manager
of the Lemon Grove store. Clar-
ence Milbrodt, long time Lemon
Grove resident, has been trans-
ferred to the management of a
larger store in the Piggly Wiggly
chain, the branch in National
City.

Secor spent the past 18 years
at the store on Adams Avenue,
and four years with the Park
Avenue store. There will be no
other change in store personnel.
Secor said. A continuation and
extension of the firm's policy of
quick, friendly service will be
followed.

He is married and has two
daughters, one 13 and the other
18 years of age.

'LITTERBAGS' TO
BE DISTRIBUTED
BY JUNIORS

By 'SIS' MAJOR

"Litterbags" are now the main
project undertaken by the San
Diego County Juniors. Two hun-
dred bags were distributed to
each club at the county confer-
ence held last Saturday at the
East San Diego Woman's Club.
We are all conscious of the fine
for throwing trash out of our car
windows, so purchase a "litter-
bag" from a Junior member, and
place it in a convenient spot in
your car.

The drive will be continued

Safety Team to Be in Uniform at M. H.

School grounds safety is an important supplement to overall safety
at Lemon Grove schools and nowhere is the safety task taken more
seriously than at Monterey Heights School.
Members of the M. H. PTA earlier this month furnished jackets
and caps to members of the School Safety Patrol as part of a Safety
Week program. These youngsters, and others like them, comprise the
team which makes for safety on the school grounds. They control
such activities as too rough play, rock throwing and the like.

REGISTERD ALIENS TOTAL 2,000

George W. Scallorn, officer in charge of the Immigration and Naturalization Service announced today an estimated 2000 aliens in this area have already filled out address report cards under the law requiring noncitizens to report their addresses to the government each January.

Mr. Scallorn said the law applies to all noncitizens except persons in diplomatic status, and foreign representatives assigned to the United Nations.

The parent or legal guardian of an alien under 14 years of age,

or legal guardian of an incompetent alien should fill out the address card for such class of noncitizen.

Willful noncompliance with the law can make an alien subject to fine, imprisonment, and/or deportation.

Mr. Scallorn urged all aliens in San Diego and Imperial Counties to fill out cards at the nearest post office or immigration office as soon as possible.

He said the law requires that the cards be filled out during January of each year.

Why I Think You Should Go To Church This Sunday

First, let us establish a true definition of the Church. It could well be stated that the Church is the Body of which Jesus Christ is the Head and all baptized people are the members. In other words the true Church is a group of baptized persons welded together in holy fellowship by the love of God.

By nature man is gregarious and dependent upon his fellowmen both materially and spiritually. It is only through men and their inter-related experiences that God is able to work and reach us. We are channels of His Grace. He has no other way.

Many a person has said to me, "Oh I can worship God just as effectively on the golf course, out in the mountains, or along a stream fishing as I can in Church on Sunday. The answer to that statement is: one could worship God that way but seldom does.

Others claim that they live a good life according to the Ten Commandments and the Sermon in the Mount and that they don't need to worship in Church to be a good Christian. Well, a Moslem, a Buddhist, a Shintoist can live a good ethical life too, but Christianity is much more than ethical living. Primarily it is a right relationship with God.

Our Lord Jesus Christ's first and great commandment is that we should love the Lord our God with all our heart, with all our soul, and with all our mind. His second Commandment was that we should love our neighbor as ourselves. All of the Law and the Prophets hang on these two great commandments. If we take God's word seriously, as all Christians should, how can we love God without worshipping Him and that on Sunday in Church. If we worship and truly love God, the second commandment — loving our neighbor — will come without effort.

St. Paul writes in his first letter to the Corinthians that each one of us, as a baptized member of the Church, has a gift to offer to God and that it is not right to deprive God or our fellowmen of it. We cannot all be teachers, doctors, or lawyers but we can offer ourselves, our souls and bodies to be a reasonable, holy and living sacrifice unto Him. All of this

can be accomplished by regular attendance at Church on Sunday and living as a Christian should during the week.

What then is our bounden duty as a member of the Church? Our bounden duty is to follow Christ, to worship God every Sunday in His Church; and to work, and pray and give for the spread of His Kingdom.

What better reason could one have for attending Church?

Vicar, St. Phillip's Episcopal Church

Local Democrats Back to Regular Meeting Night

The Homeland Area Democratic Club, having given their regular meeting night, and the school room to March of Dimes polio dinner, will now resume their regular meetings.

First meeting of this busy election year will be Thursday, January 26 at 8 o'clock in Golden Avenue school, Room 10, in Lemon Grove, directly back of Piggly Wiggly. There is a great amount of work to be done between now

and November and Democrats will have to do it.

The Homeland Area Democratic Club includes Lemon Grove, Spring Valley, Casa de Oro, and all surrounding areas. We will be most happy to hold our meeting at any of the areas by arrangement.

Small business to continue to exist must help the Democrats put a Democrat in the White House.

Thursday, January 26 meeting will be discussion of Fresno Convention, to which the Homeland Area club will send delegates who has been teaching for the

Feb. 4 and 5.

You do not have to join to attend our meetings the fourth Thursday of each month. Please phone me at HO 6-4209 for any information you want concerning the club.

CLASSES BEING HELD IN REAL ESTATE SELLING

A class for real estate salespersons is being conducted Tuesday and Thursday evenings in the Kokko Realty Building in El Cajon.

Instructor is James F. Baker, past 12 years.

Baker said real estate business is booming and more real estate personnel is needed.

LOCAL WOMAN VISITS LITTLE WHITE HOUSE

Mrs. Edward Brinegar, 6525 McArthur Dr., visited recently at the Little White House at Warm Springs, Ga., where President Franklin D. Roosevelt lived part time and where he died. Thousands visit this national shrine every month, which is maintained just as when he lived there. It is open to the public

every day in the year.

AGRICULTURAL AREA ZONING TO BE TOPIC OF FARM BUREAU MEET

The El Cajon Farm Bureau Center will hold its monthly meeting today, January 12, at 6:30 p.m. at the Meridian School in El Cajon. The business meeting, following a potluck supper, will begin at 7:30 and include a discussion of agricultural zoning and its benefits to farmers. Walter Beck and William Tomlinson, co-chairmen of the San Diego County Farm Bureau Zoning

Committee, will be guest speakers.

AWARDS TO BE GIVEN FOR DENTAL HYGIENE SLOGAN

A \$25 government savings bond and ten trophies will be awarded to the junior high school students writing the best slogan this month on mental hygiene.

The contest, sponsored by the San Diego County Dental Hygienists Association, will close January 27.

Seventh, eighth and ninth grade students in all city, county and parochial schools are eligible.

Prizes will be awarded at a luncheon to be given by the San Diego County Dental Society on March 7 during National Children's Dental Health Week. Ben Schei, principal, said yesterday the Lemon Grove intermediate school will participate.

The savings bond will be presented by the Hygienists Association to the grand sweepstakes winner. Trophies, donated by the San Diego County Dental Auxiliary, will go to the first, second and third place student in each of the three junior high school grades.

Deputy Sheriff's Jobs to Be Filled

You too can be a deputy sheriff. That is if you're a high school graduate, between 22 and 28 years of age, weigh 150 or more pounds and stand at least 5 feet 9 inches tall. No previous police experience is required.

San Diego County Civil Service is now encouraging applications until January 17.

Deputy sheriffs start at \$343 monthly on a 40-hour work week and advance to a maximum of \$417. Excellent training is provided in general law enforcement at this level and a promising career is assured to qualified men through promotions from the ranks by examination to higher level posts. Full details and application forms are available from the county civil service office at Room 402 Civic Center, San Diego. Deadline for filing of applications is 5 p.m., January 16, 1956.

LETTERS TO THE EDITOR

Dear Editor:

I read your editorial in the current issue of the Lemon Grove Review that you gave me and I enjoyed it very much. Having gotten interested in looking through the rest of the paper I found you already had printed an article about our new adult spring semester with list of the new classes.

This relieves me of getting out a finished copy tonight for your Thursday deadline. I enjoyed your assistance and help in clarifying some of the needs of article writing, so expect some individual articles from me in the near future.

Thanks for everything.
Sincerely,
Harry C. Riley
Principal
Helix Adult School

Dear Editor:

The San Diego County Chapter of Muscular Dystrophy Associations of America wish to express their gratitude to you for your interest and willingness to help in our recent fund raising drive by giving space in the Lemon Grove Review to our releases.

Our combined efforts may soon result in the cure of this dread disease. As yet there is none, but research continues and remains the only hope of the afflicted.

Your continued interest in muscular dystrophy will be greatly appreciated and, on behalf of those thousands who are victims, a thank you from your local chapter.

Sincerely,
J. P. Riley
Campaign chairman

Ten New Ship Lines Start S. D. Port Service

Ten new steamship lines established service in San Diego port last year.

They were the North German Lloyd, Intercoastal Line, Nippon Yusen Kaisha, Daido Line, Mitsui Steamship Co., Hamburg-American, Holland-American, Winchester Lines, Shinnihon Line, and the Compania de Navigacion de Matatlan.

During 1955 San Diego lost the services of only two lines, the Chilean-North Pacific and the Margo Pacific Line. The latter company attempted to establish regular passenger service between San Diego and Acapulco.

Japanese and German steamship lines dominated the new service to San Diego. Ships of these two countries carried the bulk of the port's commerce last year.

San Diego was also the only major Pacific Coast port to show an increase in ship arrivals for 1955. Records indicate that 192 ships called there last year as compared to 150 for 1954. The marine exchanges at Los Angeles harbor reported 120 fewer ships called at Los Angeles harbor last year than in 1954.

Health-Through-Color Classes Given

Classes to show the effect of color upon life will be held through January 27 at Casper's in El Cajon. It was announced by Stanley Burroughs, teacher, lecturer, author.

Burroughs will present his Vitaflex theory of colors upon health problems. Advanced nutrition and color energizing will be his theme.

Classes are under way currently.

'GIRLS' (UNGHI!) PUT ON PLAY FOR PTA

—L. G. Camera Photo

This is the cast of what the Vista La Mesa PTA calls the "west coast premiere" of an "original, sophisticated comedy."

The play, "When the Girls Get Together," was given by dads of the group earlier this month. "Girls" are Kenneth Trytten as Clara; Paul Miller as Agnes; Henry Cowles as Lulabelle and Si Metzner as Gertrude.

There has been practically no demand for staging the play again.

'Girls' Gets Rave Notice from Critic

By MRS. H. K. THURSLUND

A dramatic and colorful event earlier this month at Vista La Mesa Playhouse (school cafeteria) was the West Coast Premier of the rollicking comedy "When the Girls Get Together." It was a Dad's Night production of the Vista La Mesa PTA.

The box office stated that a record for attendance had been established. Ticket booths were manned by Robert Frazier and Warren Wilkinson. Ushers were Ray Bullock, Al Keebler, Robert Brown and Harley Thurlund. Persimmon colored programs were handed each theater guest, listing the cast and credits due.

Colors were presented by Den 2, Pack 315 Cub Scouts. Robert Brown is their den dad.

The inspirational thought for the evening was brought to the unit by George Sherrod as the "Baffled Father" and Clarence Allen, principal, with the answer.

Mr. President, R. C. Alexander; Mr. Secretary, Robert Clarno; and Mr. Treasurer, Wallace Simms, assisted with the business portion of the meeting. It is not difficult to comprehend that they added to the dispensing of the matters of business on the agenda with the warmth of their amiable personalities.

Robert Masters, fifth grade teacher, presented the January portion of "A Look Into the Classroom." He chose as his subject "Social Studies." As a means of better showing the audience how social studies fit into the curriculum, ably enacted by fifth grade students.

Ivan Arms, Mr. Program Chairman, introduced to the audience the quartette of "Peter Bakker and His Four Bear Tones." Providing the music and lyrics were four unit dads, Peter Bakker, Dick Lundberg, Bob White and Leslie Trexler. This was the first appearance of the quartette on any stage. They delighted the audience with several songs of yesteryears. Their beguiling interpretation of "Good Night Ladies" won them a reputation with other musicians as well as the general public.

One of the big moments of the evening was the play "When the Girls Get Together," a novel and sparkling comedy about the situations which arise when some of the girls of the unit get together for an evening of cards.

Everything happened very naturally because the author remembered that nothing is more amusing than unadulterated human nature.

Ivan Arms' direction bears that out, and he may well have been encouraged because his cast fit every character snugly, giving each situation a hilarious and delightful credibility. The setting was the friendly, handsomely decorated living room of Gertrude Metzner, one of the girls. As Gertrude, the hostess for the evening, Sy won honors. He ranged from earnest to humorous irony. An outstanding characterization came from Clara Trytten. Never complaining, she took the part of an understanding, tolerant and amused daughter-in-law. Agnes Miller and Lulabelle Cowles were brilliant in their parts and added temperament to the brisk situation. They brought down the
